Adriaan wins at International Fine Arts Association Competition

Adriaan Marais, Grade 11 (Dance), danced his way to success at the International Fine Arts Association dance competition. He received national colours with an average of 93% and qualified for the national championships in August.

He made a clean sweep, winning the following awards:

Best freestyle production: *Bionic*

Best choreographer 2011

Best contemporary production: *Gravity*

Best contemporary duet: *There's a Place*

Adriaan's marks for the 11 duets entered by him ranged from 89% - 98%, with 10 of them above 90%. For productions, Adriaan's average was 97% and his junior hip-hop group got 90%.

Adriaan went on to excel in his own contem-

porary solos with a staggering 98% for *Breathing* and 97% for *Tribute*.

Adriaan started his Fusion dance group when he was only 15 years old. It is his dream to teach dance to children who sometimes grow up in challenging circumstances.

He believes that dance helps to improve self esteem and promotes excellence. Adriaan received thank-you letters from parents whose children's academic performance improved at the end of 2010. He says: "Pro Arte Alphen Park has helped me to make a dream come true, and it is the best High School I could have chosen. Any child who is serious about art, should come to our school." Adriaan is also thankful to his primary school, Laerskool Saamspan, for their support and making their school hall available for training.

The Grade 11 Design learners participated in Global Nissan's competition to paint the new Micra.

Different schools painted Micras in various shopping centres in Pretoria. Our opponents in The Brooklyn Mall were learners from Hoërskool Menlopark.

The Grade 11's worked hard, painting from 08:00 until about 20:00 every day for a week. Their team spirit and dedication paid off, and they were crowned champions at the Global Nissan Hatfield branch.

Xoliswa and Dineo were on top of things...

Oud-leerder word die beste LLB-student by Tuks

Hanneke Verwey, oud-leerder (Kuns), het na skool groot welslae behaal. Sy het verlede jaar haar LLB-graad met lof aan die Universiteit van Pretoria behaal. Hanneke het ook matriek met 6 onderskeidings geslaag, waarvan 4 vakke bo 90% was, met 'n asemrowende 100% vir Ekonomie. Sy was ook in haar matriekjaar onder die top 20-presteerders in Gauteng.

Hanneke het 13 akademiese toekennings en 21 merietesertifikate gedurende haar universiteitsloopbaan ontvang. Sy het onder meer die visie-hoof- en kanseliersmedalje vir die beste LLB-gegraduateerde ontvang. In haar eerste jaar, het sy die Carpe Diem-prys vir die beste eerstejaar LLB-student met die hoogste gemiddeld in die eerstejaarmodules verower. Daarna ontvang sy die Willem du Plessis-prys vir die best tweedejaar LLB-student, weer eens met die hoogste gemiddeld. Hanneke behaal 'n driekuns met die Schilz-prys vir die beste derdejaar LLB-student en om af te rond verower sy die Harold Galasko-prys vir die beste finalejaar LLB-student en die Adams & Adams-prys vir die student met die hoogste gemiddeld in die volle 4-jarige LLB-gradkursus.

Hanneke het 53 onderskeidings in al die 53 voorgeskrewe LLB-modules gedurende die 4 jaar behaal, met 'n gemiddeld van 87%. Sewentien van hierdie onderskeidings was bo 90%.

Vir Hanneke, wat na matriek vir een jaar lank by 'n prokureursmaatskappy gewerk het, was dit eers 'n stryd om te kies tussen Beeldende Kuns of Regte. In haar hart was Beeldende Kuns ongetwyfeld haar eerste keuse en Regte op daardie stadium die rasonale keuse. Na afloop van die jaar by die regsfirma het sy besluit om Regte te studeer.

Hanneke sê: Ek het nie meer genoeg tyd om te skilder nie, maar ek woon nog gereeld kunsuitstallings by. Ek bly ook op hoogte van die nuutste ontwikkelinge in die kunstewêreld. Ek het baie hegte herinneringe aan my tyd in Pro Arte Alphen Park. Die skool het my die geleentheid gebied om my passie vir die beeldende kunste uit te leef en my persoonlike talent te ontwikkel. Die blootstelling aan die kunste wat Pro Arte Alphen Park my gebied het, het ongetwyfeld my lewe verryk. Ek glo ek is 'n meer intellektueel afgeronde en deursoekende mens danksy my tyd in Pro Arte Alphen Park. Die individuele aandag en aansporing tot uitnemendheid is definitief die sterkste punt van die skool. Die werksetiek, selfdissipline en deurstellingsvermoë wat ek in Pro Arte aangeleer het, het my ook voorberei op die uitdagings van 'n universiteitsloopbaan. **Pro Uitnemendheid!**
