## AlphenPark

VOLUME 1, ISSUE 2

2010-10-29

### Visser Liebenberg is best in SA

Visser Liebenberg, Grade 12, literally blew adjudicators away with his phenomenal music talent. He won the wind category of the Artscape National Music Competition.

Only 35 young musicians, mostly tertiary students, from all over South Africa were invited to participate.

It is a great honour to become a winner in this national cutthroat competition. Pro Arte Alphen Park is proud.

Pro Music! Pro Champions!

Grade 8-11 exams commence on 8 November

### ...And still on the winning spree: We COOK!

Lehlogonolo Mmanape and Seapei Letshela, Grade 11 won the starter category during the Heinz D4 Cook Out Competition, held at our school on 9 October.

Their winning dish was a scrumptious kipper quiche.

The event was a great success.

Mrs. Martha Kok, Head of the Hospitality Studies Department and her staff, as well as the learners, worked very hard.

On the same day, primary school learners and some of our learners made sandwiches for street children, distributed by the Hanna Grobler Charity and Empowerment Foundation.

See photos on page 2, as well as who the winner was of the art competition with the theme "No one grows ketchup like Heinz".

Pro Hospitality!

Lehlogonolo, Miss Venter, Ms Pretorius and Seapei.

# Having the bread buttered

**Let's talk stats:**

- 100% matric pass rate for 14 years.
- 80.8% passed with university exemption in 2009.
- Best school in design 2009 Grd 12 average 89%.
- Best design learner 2009, Nadia Sinovich got 99%.

It was FUN, fast and fabulous! Learners from Pro Arte Alphen Park, Lynnwood Ridge Primary, Glenstantia Primary, Laerskool Constantiapark, Laerskool Garsfontein and Laerskool Menlopark made 1500 sandwiches in record time. These were distributed to street children in the West of Pretoria by the Hanna Grobler Charity and Empowerment Foundation. Pro Charity!

Tebogo Mashila, Grade 11, won the Art Competition. Abigail Snyman, Grade 11, second place and Emma Bosman, Grade 9, third. Pro Winners!

# Two dux learners for Pro Arte Alphen Park

Grade 12 learners, Maritz Liebenberg (Music) and Tarryn Willis (Drama) received the dux trophy at the merit function on 19 October. These two learners boast an average of 85% and six distinctions each.

Both of them plan to study at the University of Pretoria next year. Maritz has enrolled for B.Sc. Biological Sciences and Tarryn to study LLB.

The Grade 12 Merit function formed part of their valediction, which was a glorious event. Guest speaker, Dr Pat Lekgwara, a well-known neurosurgeon, delivered a highly motivational message to the Grade 10 - 12 learners. We trust that they will remember his words and work hard to be the very best.

All the best to each Pro Arte Alphen Park learner for the exams. May God bless you.

**Pro Excellence!**

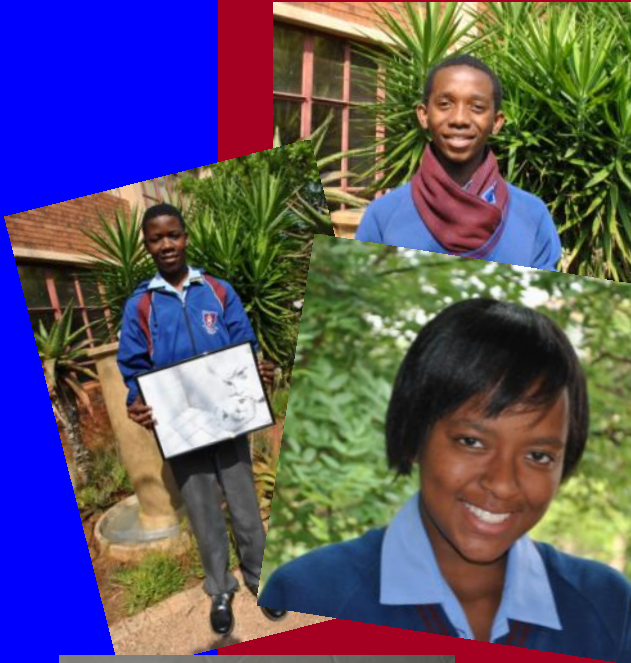

Thirteen Pro Arte Alphen Park learners are participating in *Teaterflaters* at the Brooklyn Theatre on 6 November. The show will be done in a survivor fashion, where the audience's votes will determine the winners. Support our learners! For more information, contact Public relations officer, Mrs. Ina Grobler. Pro Participation!

## Grade 10's meet the meats

The trip to Tirolean Meats was a wonderful experience. We were welcomed by friendly staff and had to wear special jump suits for hygienic reasons. The factory is divided in low- and high-risk sections. A low-risk area is where the raw meat is cut and still has to be cooked. A high-risk area is where the cooked product, e.g. ham, is sliced and packaged. We saw how different sausages, bacon and other cold meats are prepared and smoked. At the end we were treated to biltong, dried wors, smoked sausages and sandwiches, all produced in the factory. A special thanks to Sinead Brown and her father who organised this trip for us.
